Look Over
There!

A young girl with dark hair in a ponytail, wearing a blue t-shirt and blue pants, stands in the center of the frame. She is pointing her right index finger upwards. To her left is a large tree trunk. To her right are several cartoon animals: a giraffe, a deer, a monkey, a tiger, and a bear. In the background, there is a large elephant and a full moon in a dark blue night sky. A speech bubble from the elephant contains the text "Gilly the Giraffe! You're Too Tall to Hide Behind Trees!".

Gilly the Giraffe! You're Too Tall to Hide Behind Trees!

The Giraffe Bowed Playfully as the Others Laughed and Gathered Around

Slinky the Snake!
You Thought I Wouldn't Find You.
Didn't You?

*Dhun saw something shiny and yellow under a bush.
She Bent Down Slowly and Whispered.*

These Are Fresh...
Someone Big Is Still Hiding !

Suddenly, Dhun Spotted Large Paw Prints.
They Led to a Big Boulder.
She Pointed and Said,

A young girl with dark hair in pigtails, wearing a blue long-sleeved shirt and blue pants, is kneeling on the grass. She is pointing her right index finger towards a lion. The lion, King Leo, is sitting on a large rock on the right side of the image, looking down at the girl with a shy expression. In the background, a group of animals are watching: a giraffe on the left, a blue elephant in the center, a brown bear, a tiger, a monkey, and a small brown snake on the ground. The scene is set in a jungle at night, with a full yellow moon and stars in the dark blue sky. A thought bubble from the giraffe contains the text.

**King Leo !
You're the Last One -
We've Been Waiting for You!**

*Dhunn walked softly and saw a lion.
He looked shy,.She smiled and
showed her hand..*

They shared stories, played games,
and laughed until the stars
twinkled brighter.

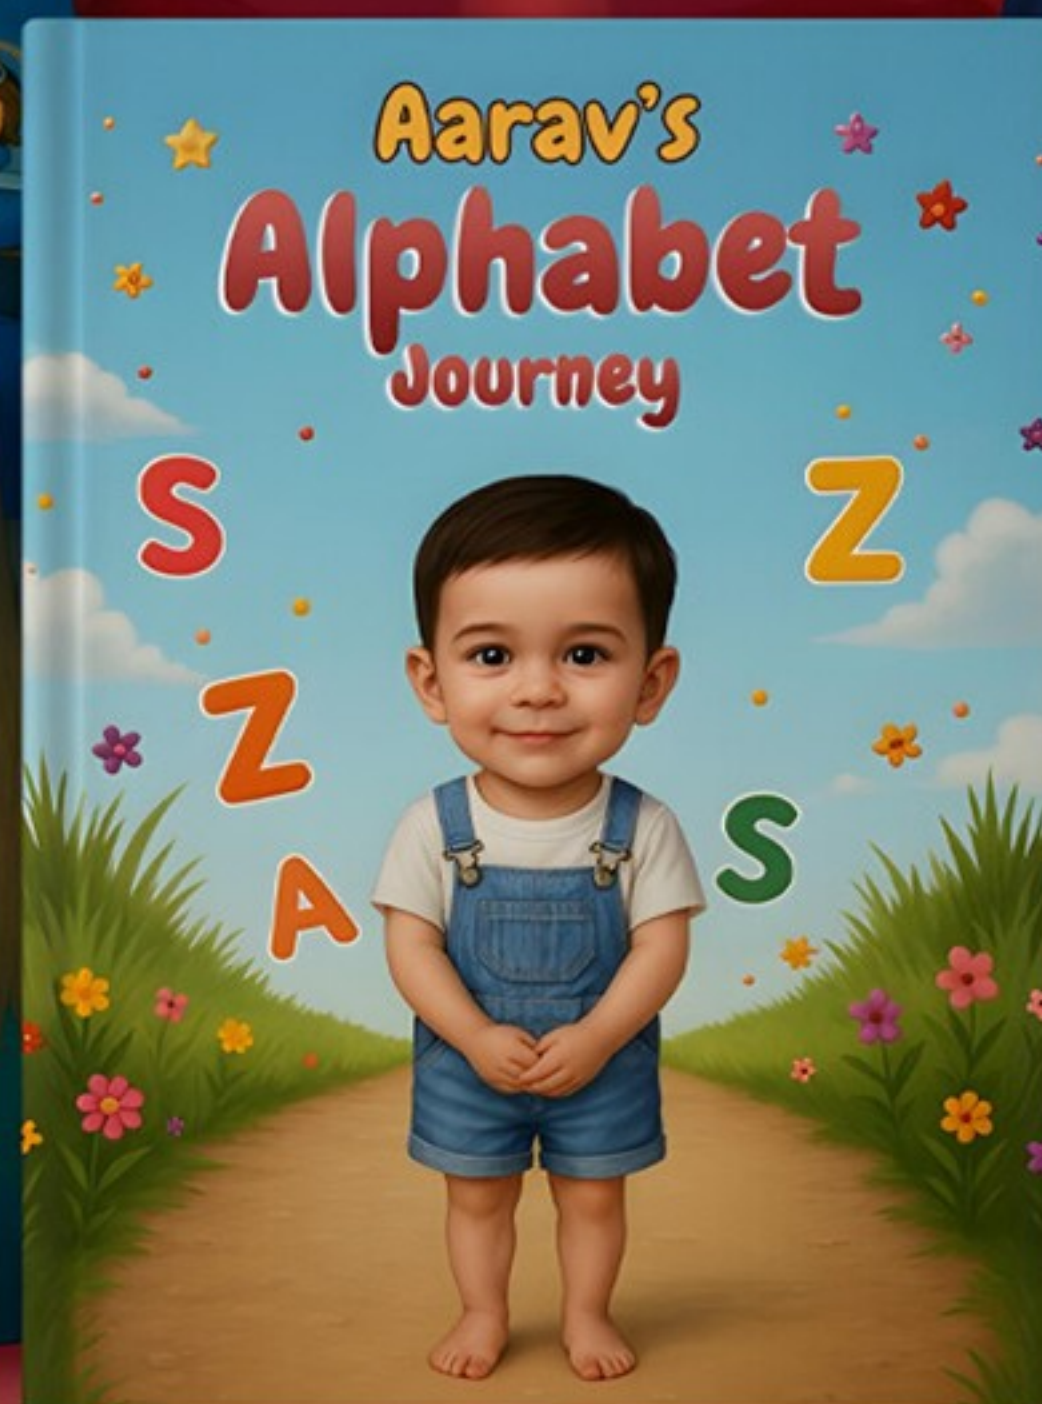

Under the glowing moon, Dhun sat in a circle with all
her new friends:— Bongo, Stripey, Muddy,
Daisy, Gilly, Slinky, Momo, and King Leo.

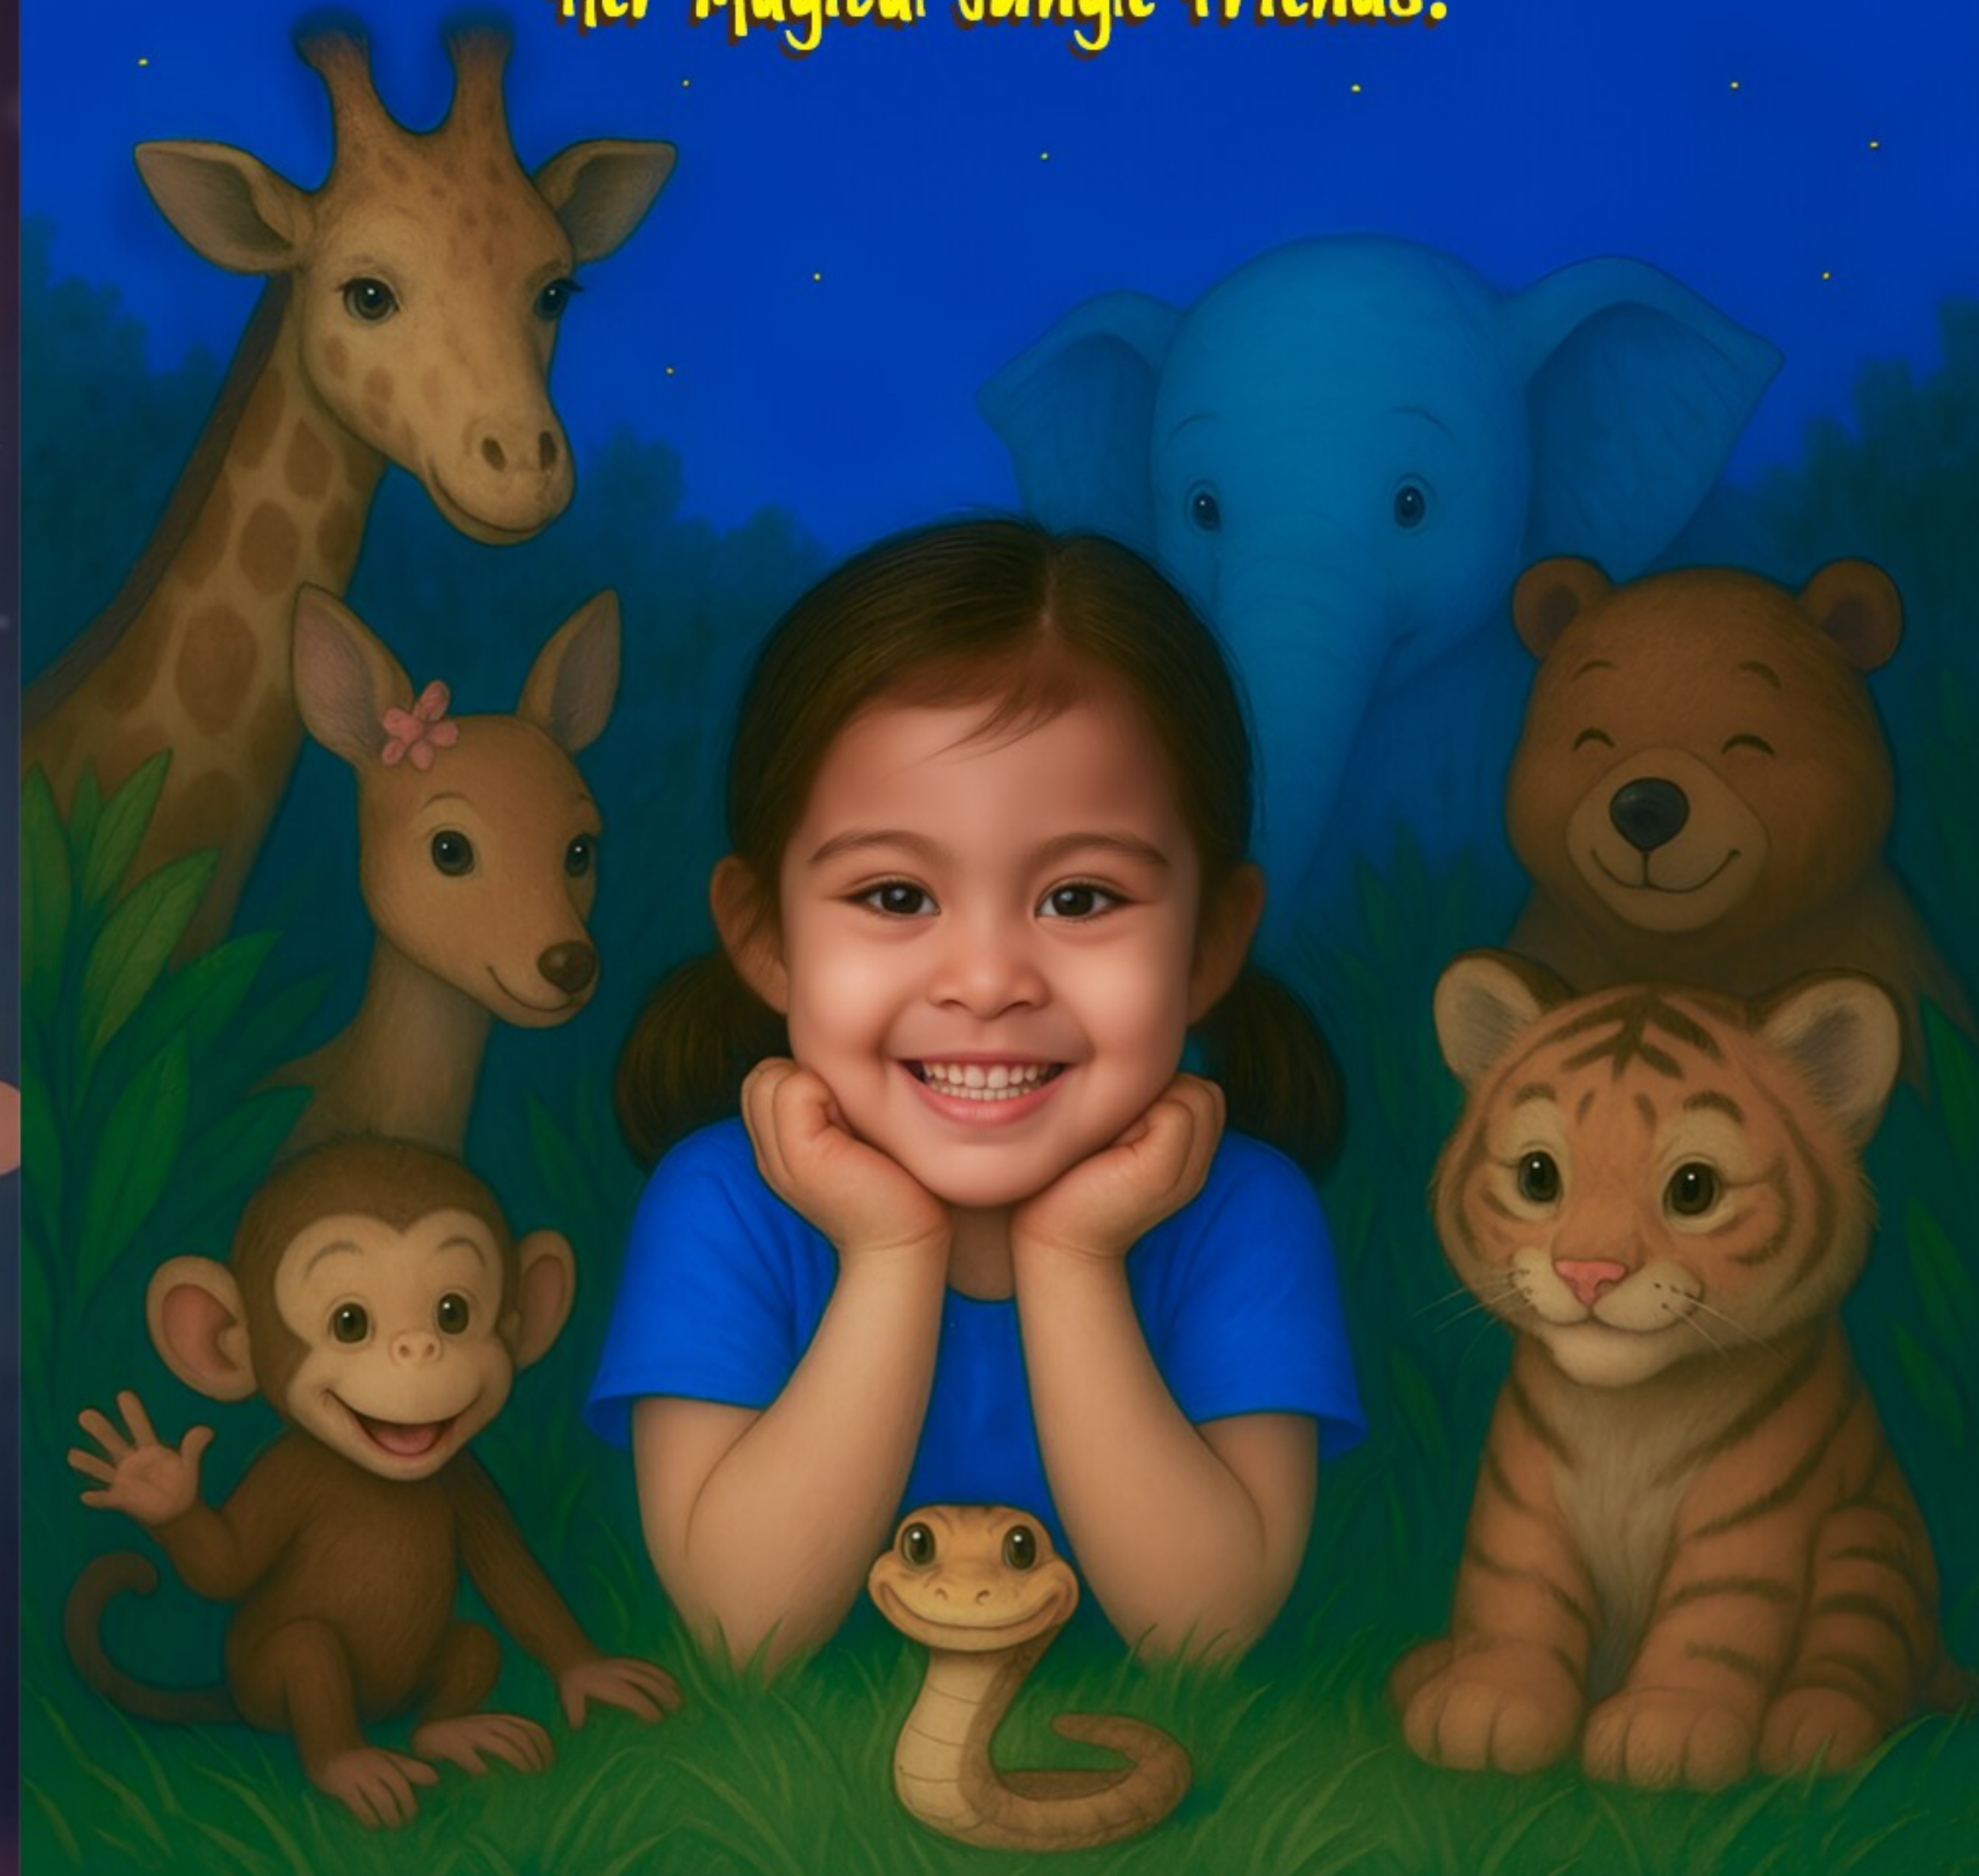

That Was the Best Night
Ever... I Hope They
Remember Me Too!
